

I WANT TO GO TO HEAVEN ON THE DAY THAT I DIE

Verse 1

G C G
I was with my boy when he spoke to the Lord in prayer
G A D
He and I were together in a meeting there
G C G
The preacher said, "To heaven or hell we will go"
G A D G
John said, "Dad how is it I can know?"

Chorus

G C G
John told me, "I want to go to heaven on the day that I die
G A D
I want wings on my back so that I can fly
G G7
I want to go up in the air
C G
And be with Jesus up there
G D G
I want to go to heaven on the day I die"

Verse 2

The preacher said, "There's one way that you will know
Your name must be in the book of life for you to go
You can spend eternity with me
If your name in the book I see
Then to heaven you'll fly and to hell, you will flee"

Chorus

Verse 3

It was the 24th day of April in 94
When John opened his heart and asked Jesus in the door
Revelations 20:15
Read this lesson to see what I mean
To join my John and be with Jesus forevermore

Chorus

Verse 4

I'll tell this story to you and others, until I retire
Those who turn from the Lord will be cast into the lake of fire
You must choose Him in your heart
Like John did to be smart
For a life with the Lord that you will never tire

Chorus
